

Year 11 Compulsory Intervention – Extended School Day

13th September 2021

Dear Parent/Carer of **Year 11**

Some students have had a change to their Wednesday intervention sessions. Compulsory intervention sessions continue to run on Monday's, Wednesday's and Thursday's. On these days, the school day will run from 8:45 a.m – 4:00 p.m.

These additional intervention sessions are vitally important to enable your child's teachers to address the impact that significant disruption, that your child has had to endure, and the effect this will have had on their learning.

Your child will receive a personalised timetable outlining their weekly intervention sessions.

In the Spring Term, following the Christmas break, your child's intervention subjects will change to accommodate more focussed intervention on Maths, English and any subjects that your child requires additional support with.

If you have any further queries, please contact me at sbrackenridge@moseleypark.org

Thank you for your continued support.

Yours faithfully,

Mrs S Brackenridge
Deputy Headteacher
